Dear Hiring Manager,

I am writing to express my interest in a Front End Web Developer position at Perrill. With a strong foundation in web development, combined with IT and managerial experience, I am excited about the opportunity to contribute my skills, expertise and unique perspectives to your team.

What sets me apart is not just my technical skills, but also my adeptness at managing projects independently. Throughout my career, I have operated without a direct supervisor, allowing me to take ownership of tasks, make well informed decisions, and ensure the successful completion of projects within specified timelines.

### Key Highlights:

- **Web Development Expertise:** Proficient in HTML, CSS, JavaScript, and React. Creating dynamic and intuitive web applications.
- **Independent Project Management:** Successfully managed projects without direct supervision. Demonstrating self-reliance and initiative.
- **IT Proficiency:** Possessing a comprehensive understanding of IT systems, enabling swift troubleshooting and resolution.

I am eager to bring my unique blend of technical expertise, managerial skills, and self-driven work ethic to Perrill and contribute to its continued success. I am enthusiastic about the prospect of discussing how my background aligns with the needs of your team.

Thank you for considering my application. I am looking forward to the possibility of contributing to Perrill.

Sincerely,

Joshua Smith
