JOSHUA SMITH

Front End Web Developer

EDUCATION

Anoka Technical College

January 2019 – March 2021

Pursued associate's degree in Web Development, with a minor in Software Development.

Military AIT Training

October 2015 – April 2016

6-month military training on various types of networking, radio and satellite equipment.

WORK EXPERIENCE

Daily Printing, Inc. – Variable Data Programmer, Storefront Admin

March 2021 – Current

I work in a unique and self-driven position. My primary duties include editing storefronts with CSS and JS, creating variable product templates, and adding blogs and extra styling to our main website.

AutoZone – Commercial Sales Assistant Manager

March 2019 – March 2021

Assisting in the management of an annual multi-million-dollar department. My duties included customer service and task delegation.

US Army - 25Q (Satellite & Radio Technician)

February 2015 – October 2018 (Honorable Discharge)

Main job duties were to traverse to remote locations and provide data, phone and radar support with a small team of 4.
